

Student Assessment

*Use this assessment to think about your effort and perseverance on specific assignments.
Check the response that is most accurate: yes, sometimes, no.*

On this assignment or unit _____ Yes Sometimes No

1. I tried my best
2. I had a positive attitude
3. I did not give up
4. I sought help if needed
5. I worked up to my fullest potential
6. I took the necessary time to do a good job
7. I reread and checked my answers
8. I successfully worked through challenges.
9. I asked for constructive feedback on my work.
10. I looked for ways to go beyond minimum requirements.

For Reflection

- ➔ What do the results of your assessment indicate about how much effort you put forth on this assignment?
- ➔ If you were graded only on effort, what should your grade be?
- ➔ What does your assessment indicate about how much you persevered on this assignment?
- ➔ If you were graded only on perseverance, what should your grade be?
- ➔ How do you think putting forth more effort and perseverance would affect your learning?
